On a wag- on bound for mar- ket, There's a calf with a mourn- ful eye. High a- bove him,

REF:

there's a swal- low wing- ing swift- ly thru the sky. How the winds are laugh- ing, they

laugh with all their might. Laugh and laugh the whole day thru and half the sum- mer's

night. Don- na, don- na don- na, don- na. Don- na, don- na, don- na, don.

Don- na, don- na, don- na, don- na. Don- na, don- na, don- na, don.

2. "Stop complaining", said the farmer
Who told you a calf to be
Why don't you have wings to fly with
Like the swallow so proud and free

3. Calves are easily bound and slaughtered
Never knowing the reason why
But whoever treasures freedom
Like the swallow has learned to fly

1) It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know
Find a girl, settle down
If you want you can marry
Look at me, I am old, but I'm happy

I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on
But take your time, think a lot
Think of everything you've got
For you will still be here tomorrow
But your dreams may not

3) It's not time to make a change
Just relax, take it slowly
You're still young, that's your fault
There's so much you have to go through
Find a girl, settle down
If you want you can marry
Look at me, I am old, but I'm happy

All the times that I've cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right I'd agree
But it's them they know, not me
Now there's a way
And I know that I have to go away
I know I have to go

2) How can I try to explain?
When I do he turns away again
It's always been the same, same old
story
From the moment I could talk
I was ordered to listen
Now there's a way
And I know that I have to go away
I know I have to go
